

DVD Subscription

Worship Anew celebrates the new life all people have in Jesus with a 30-minute weekly broadcast service. Christ's love is shared through scripture readings, favorite church hymns, prayers, and a pastor's message that reveals God's grace and truth.

By acquiring a DVD subscription, your local congregation, church group or other ministry can receive a DVD of the weekly program. The DVD subscription authorizes you to make up to twenty copies of each program for local distribution to the homebound, nursing homes, retirement centers, and hospitals. One copy could also be delivered to your local Public Access television station. These stations offer community groups the opportunity to sponsor television programs free of charge! Your congregation could be recognized each week as a local provider of the Gospel to the entire community.

The DVD subscription cost is about \$3 per week for your church or organization to use in ministry. You will be billed quarterly, and the fee is waived for any church or organization that arranges to air the program on a local Public Access station.
