God's Gift to Us

But when the fullness of time had come, God sent forth his Son ...

Galatians 4:4

The spirit of sharing comes alive the most during the month of December, as we anxiously prepare for Christmas. We share Christmas cards, baked goods, handmade presents, even expensive gifts with those we care about. The reason we share with others is because God shared with us.

God shared his love and his Son with us. That Son, Jesus, spent his life living, sharing, and caring for others. His life of sharing and living ended in his ultimate act of forgiving. All that Jesus ever did was completely for us. It is only fitting that we follow his example of living our lives in a way of sharing and forgiving others, too.

Dear Father, let us have the same attitude of your son — sharing, living, and forgiving others. Amen.

Reflect: Ponder ways that you can live with an attitude of sharing and forgiving.
