Love Came Down

See what love the Father has given us...

1 John 3:1

He was standing on the median holding up a sign that said, “I love you,” as I was stopped for the light. The red light seemed to last forever, which gave me abundant time to ponder his sign. It was just before Christmas and the young man wasn’t asking for money, but his coat didn’t look very warm. What was he doing? And why was I skeptical about his message? The light turned green, and as I drove on, I smiled, realizing he was sharing the Christmas message with all passers-by. God’s big I LOVE YOU came to us in the form of his baby Son. And that love took his Son to the cross and on to resurrection — for us. It’s all about love.

Dear Father, forgive me when I jump to conclusions. Your love and goodwill come from all directions. Give me the grace to pass your love on. Amen.

Reflect: It’s all about light and love. Give someone the benefit of the doubt today.

Read: Read 1 John and 1 Corinthians 16:24
